# CME on SKELETAL DYSPLASIA

Dear Friends,

There has always been a dilemma in diagnosing children with growth problems as a result of which disorders of bone growth have been a matter of great debate and diagnostic challenge. With this in mind we planned a CME with both national & international experts in the field & also eminent practicing orthopedicians, radiologists, pediatricians & geneticists. We hope this CME will make you more confident in diagnosing and managing cases in your day - to - day practice.

We are glad to announce a CME on 16th October, 2015. The theme of which is **"SKELETAL DYSPLASIA"**. This one day event will be aimed at providing exhaustive knowledge on basics, recent advances and controversies in diagnosis and prevention of skeletal dysplasia. The program has been planned keeping in mind the needs of both experienced and young, orthopedicians, pediatricians, radiologists & geneticist. The event will host eminent faculty, who will share their knowledge and skills through didactic lectures and interesting case discussions.

KAMS&RC welcomes you all to this one of its kind event in Hyderabad.

Registration on first come first serve basis for 150 participants.
