# HOPE ♀ HERO

Don't Flight..  
Just Fight...!

Course Schedule

**Date: 25<sup>th</sup>, 26<sup>th</sup> & 27<sup>th</sup> February 2016**

Certificate in Association with  
**Indian Medical Association (IMA)-DM CELL**

Disaster is not a new word these days, a word seen often on daily basis on first to last pages of newspapers and on screens of channels. Distorted images of otherwise normal and beautiful places and human beings often seem unreal in context of Disasters

Hospital and Healthcare Institutions are the first line of defense in Response to any sort of Disasters and even in day to day situations. Optimum functionality of this group is utmost desired in any crisis condition.

### What is HOPE ?

Hospital Operational Preparedness for Emergencies.

Hospitals to remain functional after catastrophic events is a challenging task, As the name suggest it will provide a hope for dealing with future emergencies in an organized way and hence more lives will be saved.

### What is HERO?

Healthcare Emergency Response Official.

With the amount of services rendered to

the society on daily basis, healthcare professionals are already doing a wonderful job, but as the name suggest they can be of outmost utilization and of help during emergencies if equipped with proper skills and protocols. This HERO can act as an efficient help for inside and outside emergencies. This training aims at both medicos as well as nonmedicos with suitable customization

### Benefits

- ❑ Capacity Building
- ❑ You can save a Life of Yours and others...!
- ❑ Course Certificate Approved by Indian Medical Association
- ❑ Disaster Management Training Certification Turning into a Mandatory requirement for all Health care and Non Health care Professionals
