

To,

The Respected Editors & Reporters,

On 1st Dec 2011, we are organizing a WORLD AIDS DAY event for the community of Hyderabad, from 3p.m. to 4p.m. at the press club – Hyderabad.

We hereby invite you as representative of media to be a part of our ZERO AIDS CAMPAIGN – a unique & a powerful event where we take a VOW to educate people to help them deal with misinformation, fear, stigmatization & discrimination about AIDS & encourage them for testing & treatment.

Our reputed consultants, social workers & associated companies will actively participate in the event.

We are living in a time where dreadful diseases like AIDS are spreading fast, hence we would present to you solutions to these problems that we offer to the community on this day onwards.

This WORLD AIDS DAY meet will give you a great opportunity to gain correct information about AIDS & other health hazards & understand social factors around them from our eminent speaker for the event: Dr. Shashidhar Reddy – COO, Kamineni Hospitals Ltd., Dr. M.Swamy – Sr. Consultant.

Your presence is solicited on this occasion.
